Hard Waste Collection

24/08/2017

The City of Burnside offers a **FREE At-Call** home collection service, meeting the needs of our community and reducing landfill.

The City of Burnside has partnered with our waste provider East Waste to offer a flexible and environmentally responsible hard waste service.

The service features:

- One **FREE At-Call** pickup per financial year that you can book at any time of the year.
- A confirmed date for your pickup 4 - 6 weeks from the date of your call.
- Pickup days on Wednesday or Thursday of each week.
- Placement of your items within the front boundary of your property.
- More than one pickup per year at a minimal cost.
- Involvement from a not-for-profit social enterprise that will remove items that can be salvaged or saved and reused.
- Hard waste not salvaged or saved will be disposed of at an alternative fuel facility; processing the hard waste into an engineered fuel product used to fire the kilns at Adelaide Brighton Cement, replacing the use of non-renewable fossil fuel.
- See over the page for the types of hard waste items that you can have collected.

How do I make a booking?

To receive your **FREE At-Call** pickup call East Waste on 8347 5111, or go online at www.eastwaste.com.au and make a booking.

You can do this anytime throughout the year, so if you are moving house or spring cleaning, there is no need to wait for the once a year service.

What do I do once I have made my booking?

- East Waste will post to you a confirmation of your booking and a sticker that you place on the items that you want collected.
- Place items on the kerbside the night prior to your collection or before 6 am on the collection day.
- For those residents living in units and multi-dwelling properties, East Waste will negotiate a suitable location for collection upon booking.
- Before collection day place the sticker provided on your items so that it is clearly visible.
- Only put out a maximum of 2 cubic metres of hard waste (2 m long x 1 m wide x 1 m high).
- Items placed out for collection in excess of the maximum amount will be left and will be your responsibility for removal.
- Adhere to the acceptable items list over the page.
- Non-acceptable items left out will not be collected and will be your responsibility for removal. Over the page is a list of other disposal services.
- You do not need to be at home on collection day.

Can I have more than one collection?

Yes. City of Burnside residents can make one additional **At-Call** home hard waste booking at a cost of \$50 for the collection (\$25 for concession card holders).

For bookings:

East Waste
8347 5111
