27 May – 25 June

'Tree Talk' by Audrey Emery and Elizabeth Emery celebrates our physical and spiritual relationships with trees, complementing the 2011 Year of Forests. A mixed media showcase of artworks by Audrey, as well as photography & textiles by Elizabeth, the works are contemporary and imaginative, with elements of science.

Audrey and Elizabeth will run art workshops for hundreds of local school children during the exhibition. These artists are experienced at inspiring children to be enthusiastic about art, trees and the environment. Both are studying visual art degrees at the University of South Australia.

Take the opportunity for some 'Tree Talk' with the artists!

- Listen to the artists floor talk on Saturday 4 June from 2 - 3 pm.

Icons

Deborah Miller and Melissa Walker

1 July – 22 July

Icons identify our way of life. They are images and symbols that are important to us.

In this exhibition Deborah and Melissa will be looking at some of the things that have become symbols and icons in our Australian way of life. Deborah will be dealing with such things as the red-back spider, the blow fly, the white pointer shark, the Sydney Harbour Bridge, the Opera House and Uluru, through textiles and jewellery. Melissa will be exploring various aspects of the beach and its natural inhabitants through colour and texture, by combining quilting, fabric layering, embellishment and different methods of colouring fabrics. A fascinating and unique experience, not to be missed!

Blowfly Shoes

Join us for the exhibition launch on Friday 1 July at 6 pm.

ARTISTS OF THE MONTH

June:
Lana McKenzie
 Textiles
 1 June - 1 July

"My art practice involves experimenting with different mediums including painting, sculpture, mixed media collage and recently textiles. I mainly draw from nature which is my endless source of inspiration. I am particularly fascinated by Mother Nature's natural world, and concerned for the sustainability of the earth in our fast paced consumerist world.

My love for textiles has been driven by my mother's involvement with the making of garments, embroidery, crochet and knitting. Growing up in a large family with my sisters always creating garments, these memories of textiles have influenced my passion to create through the textile medium.

I have a keen interest in recycling also, with regular visits to "op shops". I now have a collection of fabric 'bits and bobs', zips, hooks, eyes and press studs which I sometimes include within my artwork. I also use tea for a natural dye effect which is fixed with the heat of the iron. The text that I use in some of my artwork is my graphic design background coming to the fore.

I hope you enjoy my work!"

July:
Judyth Satyn
 Jeweller
 2 - 31 July

A practising contemporary artist and jeweller, Judyth completed a Bachelor of Visual Arts in 2008, and has been a recipient of a Helpmann Academy grant. She has exhibited in Europe, China, Australia and is currently stocked by galleries in Adelaide and Dublin.

This collection was inspired by the story of 17th Century alchemist Johann Bottger and Judyth's love of experimenting with materials. After locking herself in her tumbling down shed/studio she stumbled across a way to transform lace into silver and to fuse it magically to glass.

Butterfly

This unique technique creates alluring 'jewels' that are both contemporary, original and intriguing. Like treasures of a lost age.

Her artist of the month collection explores the wonders of merging contemporary practises with ancient crafts, and the romance and beauty of lace re-discovered afresh. The vibrant glass becomes the colourful backdrop for these precious pieces, for you all to enjoy!

Volunteer profile

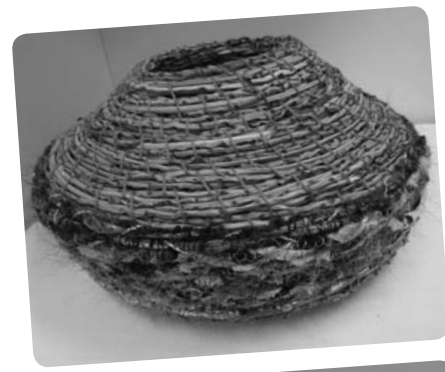

Name: Glenyss Barker

How long have you volunteered at Pepper Street and what do you like about it?
 I'm a new girl! I joined at the end of last year. A dear friend of mine, Lydia Giles, is a volunteer at Pepper Street and introduced me to the Centre to see what goes on. I enjoy helping in whatever way I can during my shifts, and as I like meeting people it is a great way to do this. I meet people who I wouldn't otherwise get to meet.

What is your favourite art style/form? Why?
 Painting and Sculptures. I have a friend from my school days who is an amazing artist who works in these mediums. She has given me a love for art in its many forms, especially for originals made by local people.

Shop Art

The Pepper Street gallery gift shop is an increasingly popular venue for gifts, trinkets, cards and all things handcrafted! New artists are regularly included. We invite you to support them!
