## Volunteer profile

**Name:** Sandra Lachlan

**How long have you volunteered at Pepper Street and what do you like about it?**

This is my fourth year as a volunteer at Pepper Street. I enjoy working in the friendly, comfortable environment of the Centre and having the opportunity to be involved with a vibrant community arts centre where my contribution is valued.

**What is your favourite art style/form? Why?**

I like a wide variety of artworks, but my favourite would be oil paintings and water colours, particularly landscapes and seascapes. These paintings evoke happy childhood memories of family holidays in the country and at the seaside.
