**MINISTER PYNE DELIVERS \$3 MILLION FOR KENSINGTON GARDENS RESERVE**

Minister for Defence and Federal Member for Sturt, the Hon Christopher Pyne MP today announced the Federal Government is investing \$3 million to deliver the Kensington Gardens Reserve upgrade.

Minister Pyne said this was an important project for the Burnside community and was proud the Federal Government was yet again delivering for the people of Sturt.

“The Government is delivering the local infrastructure that our communities expect and deserve,” Minister Pyne said.

“I am proud to be able to deliver this important funding to enable the Kensington Gardens Reserve upgrade because it will deliver the vital infrastructure that the people of Sturt rely upon.

“This Government is focused on investing in local projects because we understand Australia is made of more than big infrastructure projects.

“I’m proud to have fought for this project and delivered the \$3 Million in federal funding that has made it possible.

“The Kensington Gardens Reserve upgrade is an important piece of infrastructure for our local community and I am proud to be seeing it through to fruition” Minister Pyne said.

The Burnside Council will be managing the delivery of the Kensington Gardens Reserve upgrade.
