# HISTORIC HOUSE HUNT

How many bungalows  
are on your street?

In South Australia Bungalows  
are typically single storey,  
with a triangle style roof and  
verandah. They were built  
between 1916-1930.

Explore your neighbourhood  
and hunt for these details on  
historic houses.

What are some of the  
differences between modern  
homes and historic ones?

How many houses  
have chimneys on  
your street?

How many houses in  
your neighbourhood  
have a name?

How many stained  
glass windows can  
you find?

Find:

- A front door with  
a knocker
- A house with an arch  
shaped door or window
- A picket fence with  
this shape at the top

The first stained  
glass window in  
SA arrived from  
England in 1836!
