

# Organics for Compost

**YOUR 240 LITRE ORGANICS (GREEN LID) BIN WILL BE COLLECTED FORTNIGHTLY ON THE SAME DAY AS YOUR WASTE (RED LID) BIN (ALTERNATE WEEK TO YOUR RECYCLING YELLOW LID BIN.)**

A combination of garden and kitchen waste (food scraps, tissues and paper towel) can be put into the organics (green lid) bin.

- ✓ Food scraps using your Kitchen Basket
- ✓ Small prunings and cuttings
- ✓ Small branches that will fit into the bin e.g. 15cm diameter x 60cm long
- ✓ Lawn clippings
- ✓ Leaves
- ✓ Weeds
- ✓ Cut flowers
- ✓ Pizza boxes (soiled)
- ✓ Shredded paper
- ✓ Animal droppings
- ✗ Plastic bags (including biodegradable)
- ✗ Household garbage
- ✗ Painted or treated timber
- ✗ Dirt, soil or sand
- ✗ Plant pots
- ✗ Stones, rocks, bricks or rubble
- ✗ Large logs or stumps
- ✗ Garden tools
- ✗ Garden hose

Did you know?

*Compost and mulch help to reduce the waste that goes to landfill, thus reducing greenhouse emissions.*
