Explanatory Notes

Authority

The *Local Government Act 1999* empowers a Council to impose fees and charges for various services that it provides, either as a part of its statutory functions or on request.

Section 188(6) of the Act states, The Council must keep a list of fees and charges imposed under this section on public display (during ordinary office hours) at the principal office of the Council. This document is the record of fees and charges for public display for the City of Burnside.

As per the *Goods and Services Tax Act 1999*, GST is charged on all fees and charges, except those given exemption under the Act.

The fees and charges will identify all those charges that attract a Goods and Services Tax. All prices will be inclusive of a 10% GST where applicable. Bond monies will not attract GST unless monies are not refunded due to breaches in relation to conditions of hire.
